I was born in 1949 and have been working with dogs since 1971.

In 1972 I started my own business grooming dogs, and in 1978. I became interested in shows, which since has taken me around the world.

I am married to Jens Utke Ramsing, and we have been breeding Bernese Mountain Dog since 1984 under the name Sennetta's.

We have owned and bred Newfoundlands from 1992 to 2004. During this period we have bred in close co-operation with other kennels and especially, in co-working with Kennel Newf House, bred a number of national and international champions, including Breed Record holder in England, Newf House Scandinavian Warrior for Merrybear.

During the years we have achieved many titles in shows, national as well as international. Some of our finest results include several World Winners, a great number of Nordich Champions, International Champions, Group Winners and Best in Show. Our latest World Winner "Sennetta's Sixten" was the first European owned BMD to participate and win BOB at Cruft.

I have been an active member of the Danish Bernese Mountain Dog Club. I was editor for the club magazine from 1981 to 1985, and along with that I was vice president from 1982 to 1984.

From 1990 till 2002 I was the president for the Danish Bernese Mountain Dog Club.

I was educated as judge in 1991, first on Bernese Mountain Dog later on Leonbergers, Saint Bernards, Newfoundlands, Continental Landseers, Pyrenees, Beagle, Grosser Schweizer Sennen, Appenzeller Sennen, Bouvier des Flandres, Whippet, Saluki, Dobermann and Mastiff.

I have judged national, international and specialty shows in USA, Canada, United Kingdom, Italy, Austria, Belgium, Germany, France, Holland, Switzerland, Sweden, Finland, Norway, Hungary, Denmark, England, Ireland, Estonia, Slovakia, Poland, Czech Republic and Russia.
