

Welcome back to Berner University!

Our educational conference this year allows you to return to school and major in Berners.

Six veterinary professionals have agreed to speak on their specialties and fifteen talented and experienced BMDCA members will be sharing their knowledge with you.

- Registration will occur via BMDCA's online platform. The tuition of **\$50 per person** permits you to attend two days of seminars and workshops, and to receive access to the 2025 Dropbox full of educational materials suggested by our faculty.
- Juniors, ages 9-18 years old, receive **FREE REGISTRATION** for all classes.
- Classes **OPEN TO ALL** without charge include the Rescue Roundtable and the European-Style Sieger Evaluations class.
- Please indicate on your Master Registration if you plan to attend either of these **FREE** classes so that we can provide sufficient seating.
- The European-Style Sieger Evaluation of your dog has an additional fee of **\$40**. Dogs must be at least 12 months old to participate.
- Complete descriptions for seminars, workshops and faculty biographies are online at www.bmdca.org/2025-specialty (see Berner University)
- Well behaved dogs are welcome in all classes.
- Some classes will be recorded and available on YouTube after the specialty exclusively to BMDCA members.
